

About this guide

The Civil Aviation Safety Authority's (CASA's) *Part 91 Plain English Guide* summarises and restates Part 91 of the Civil Aviation Safety Regulations (CASR) and the Part 91 Manual of Standards (MOS) in plain English. Further, this guide reorders the information contained in the regulations and the MOS to make it easier for pilots and operators to understand and apply the general operating and flight rules.

By following this guide, it is expected you will comply with the general operating and flight rules.

The guide provides references to the corresponding legislation so you can easily refer to the full text of the CASR and the MOS if you wish. The current legislation can be found on the [Federal Register of Legislation website](#).

We are committed to providing you with accurate, consistent, and clear information to help you understand your legal obligations. The information contained in this guide was correct at the time of publication but is subject to change without notice. You should ensure you are using the most current version of the guide, which can be found on the CASA website. Please visit the CASA website regularly for updates.

Disclaimer: The guide has been prepared by CASA for information purposes only, and while every effort has been made to ensure that the contents accurately conform to the civil aviation legislation, this guide is not the law. CASA accepts no liability for damages or liability of any kind resulting from its use. You should ensure you are using the most current version of the guide, which can be found on the CASA website.

CASA is responsible for the safety regulation of civil air operations in Australian territory, and for the regulation of Australian-registered aircraft outside Australian territory.
