

# About this guide

---

The Visual Flight Rules Guide (VFRG) has been designed to assist pilots prepare, plan and fly safely under the visual flight rules anywhere in Australia. It explains relevant regulations in plain English along with other useful guidance and practical information to assist the VFR pilot.

By following this guide, it is expected you will comply with the general operating and flight rules. The guide provides references to the corresponding legislation so you can easily refer to the full text of the CASR and the MOS if you wish. The current legislation can be found on the Federal Register of Legislation website.

We are committed to providing you with accurate, consistent, and clear information to help you understand your legal obligations. The information contained in this guide was correct at the time of publication but is subject to change without notice. You should ensure you are using the most current version of the guide, which can be found on the CASA website. Please visit the CASA website regularly for updates.
